

KSWA BYLAW

TITLE: **KSWA TABLE SHOW RULES**

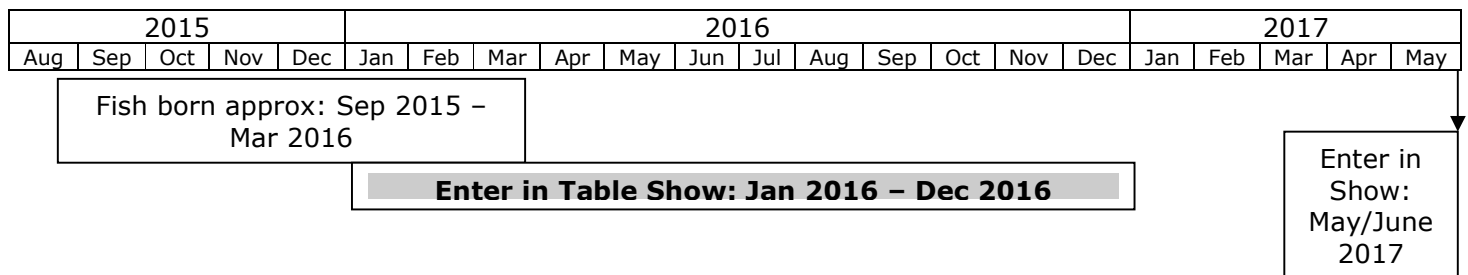

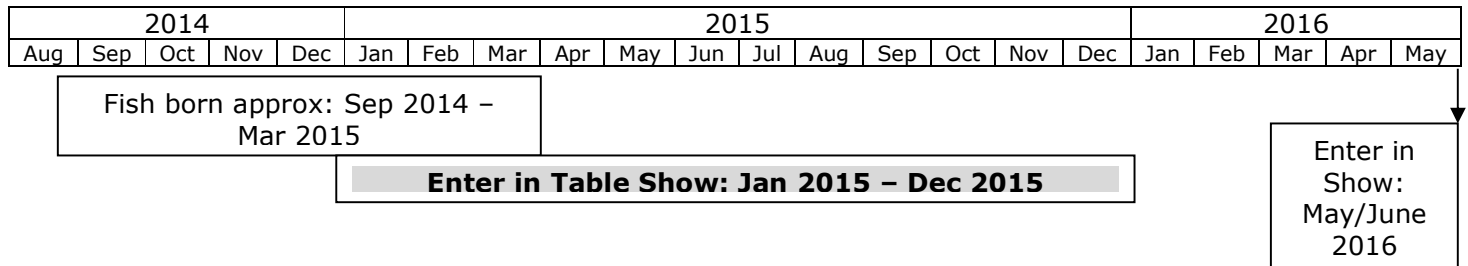

NUMBER: **KSWA 001**

All Financial Members are eligible and encouraged to bring along young fish to any meeting throughout the year, to be shown in the Table Show. The viewing, discussion and judging of these fish is a highlight of meetings.

- Participation is restricted to young fish bred in the previous season. The previous season is defined in W.A. as from approximately September to March. **Small fish from spawnings of previous years are not eligible**
- Fish entered do not necessarily need to be bred by the Member entering the fish. Young fish can be purchased from elsewhere and shown by any Member as long as they meet with these rules.
- There is **no charge** for entering fish in the Table Show
- Fish will be judged by a Member judge, Judge's decisions are final.
- Each member may enter up to 5 fish per class at each meeting (so total of 20 fish per member at each meeting).
- Fish will be judged 1st, 2nd and 3rd in each class.
- Any fish entered in the Table Show at any meeting is eligible to be entered in the Table Show/Young Champion class at the KSWA Annual Show.
- A maximum of 3 fish can be entered in the Table Show/Young Champion class at the Annual Show as long as each fish has been entered in the Table Show at any meeting.
- Fish must be no larger than **25cms** from tip of tail to tip of the head on the day of judging at the meeting. Obviously they will be larger when entered in the Annual Show, so there is no size limit on Show Day.
- **The 4 Table Show classes are:-**

Table Show A	Kohaku, Sanke, Showa, Utsurimono (Go Sanke)
Table Show B	all fish not included elsewhere
Table Show Kinginrin	Kinginrin A, Kinginrin B (all ginrin fish)
Table Show Doitsu	all Doitsu & Leatherskins (including Sushui & Kumonryu)

- Period of entry will be from January to December each year, this will qualify the fish for the following years' Annual Show – see graphs below

Please Note: **The KSWA takes no responsibility for the care and health of young fish entered in the Table Show**
