Hello Everyone,

Hope your fish are well and you are enjoying this fine weather but I must say my paddocks need some rain. We have bought a new ride-on-lawnmower and I haven't had the chance to try it out yet- no grass!

Our website has been updated with some of the show winners so have a look at www.koiclubwa.com soon.

Don't forget to email me with your details if you would like to receive your newsletter by email remembering to put Koi Society in the subject line . It will help keep costs down for the club if you do so and would be greatly appreciated.

Miki gave a very nice overview of the Singapore Show. Kohaku won
grand champion and fish were generally very large. Ki goi weighed
in at 97cms! Miki attended as a trainee judge working toward his
formal classification as a ZNA associate Judge. Well done Miki and
thanks

KSWA Show DVD will be ready for purchase at the next meeting

Rod Strang mentioned a problem with his fish jumping and scrapping.

He added 3kgs salt per 1000liters which solved the problem.

Miki gave us an update on his fish which unfortunately jumped out of the show tank. It is still alive but not well, this is a great pity and the first time it has happened that a fish has not recovered after jumping out of a Show vat. Good luck with it Miki.

Bill closed this term of Members Meetings by thanking all of his Committee for their very good efforts over the year. Financially we are in good shape, Show was a huge success and fish are getting better quality and larger...well done Bill for your good leadership and hard work from all of us members

Show Report

This year's show was one of the best to date. Our fish entries and trophy sponsorship were down on last year but the response to the advertising drew the biggest crowd through the gates. Unfortunately our costs to hire the venue and delivery of water went up dramatically. All in all I am happy to say that due to these couple of hiccups the show almost paid for itself. This is the final result.

Income for this year's show is \$5,820.90
Expenditure for this year's show is \$6,005.42

A detailed report will be available at the meeting for perusal.

SALES TABLE NEWS

Under Alex's guidance the Sales Table did particularly well last year. Alan Peck has kindly offered to run the Sales Table for this financial year and we are all very grateful for Alan's commitment. I cannot overstate the importance of the Sales Table to this Society, it is at times a thankless job and I would wish for all members to demonstrate support by purchasing all available products from the Sales Table. It can be seen as a good mate to all members and members should treat it as such in return."
Thanks, Bill.
