Welcome & News

Welcome everyone to the June edition.

Whilst we come down off the high of the show last month we have a few things coming up already to look out for. Firstly the Koi Auction is on in a few weeks, so you can book your bins now with Brett Thomas, see poster on next page for more details.

Secondly, the club Annual General Meeting will be at the August Northern Branch Meeting, whilst not an election year it is still important for the members to support the club with their attendance. Full notice is on page 4.

Still a little while away but one to pencil in your calendar is the Small Koi Show scheduled for the 17th September at Willow Pond. More details to follow in next months edition.

Some photos from the Lunch in the Valley a couple weeks ago, plus the minutes from each branches meeting are also included.

In the meantime, happy koi keeping everyone!

Advertising

The club is offering some advertising space on the trailer which we take to each fish related event several times a year. It would be seen on the freeway and roads by many others on the way to and from these events as well. This is great way to help the club fund raise and to advertise your business.

We have 1 spot left on a 3 year term for just \$300. You will be able to put your advertising on both sides of the trailer to ensure it is always seen. You will need to provide the advert in adhesive sticker form at a size equivalent to A2 Poster paper, which is roughly 60x40cm in landscape format. We can help put you in touch with someone able to produce this for you.

Any club member is free to advertise any business they like, it doesn't have to be koi or pond related, subject to committee approval.

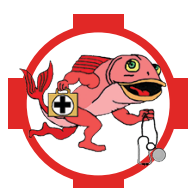

If you are interested please contact the committee info@koiclubwa.com to secure your spot.

Allan had a presentation on Koromo and Goshiki. Showing the different variations and history of these varieties. Recently a few more Koromo have appeared in the Club and they are becoming quite popular. A very good spawn was done by Alex this year and he still has a few good babies left at very reasonable 'branch' prices.

During the break Joel, Tony C and Tom did the table show. Nice to see the TS is still being very well supported, again some great young fish on show from a number of members. Pat on the back guys ,well done.

KSWA Northern Branch – June Meeting

Allan brought a Ochiba from his recent spawn to Auction off, and Tom picked up this very nice fish. All are encouraged to bring in a fish from time to time for Auction. It was a constant on the agenda a few years ago and we would like to resurrect it once again so lets see some support guys.

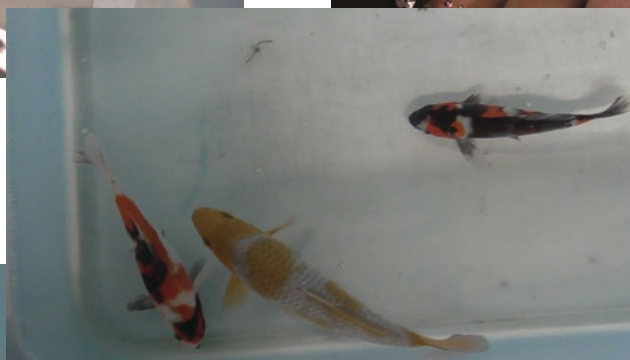

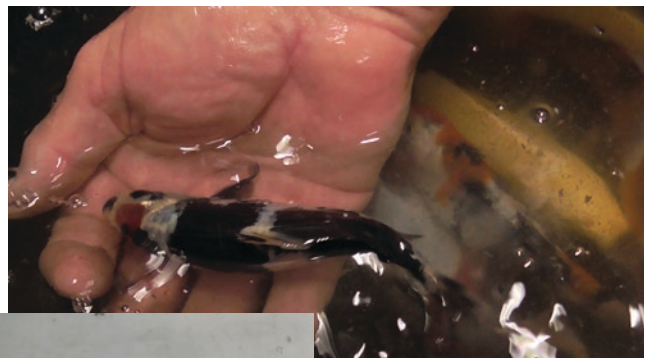

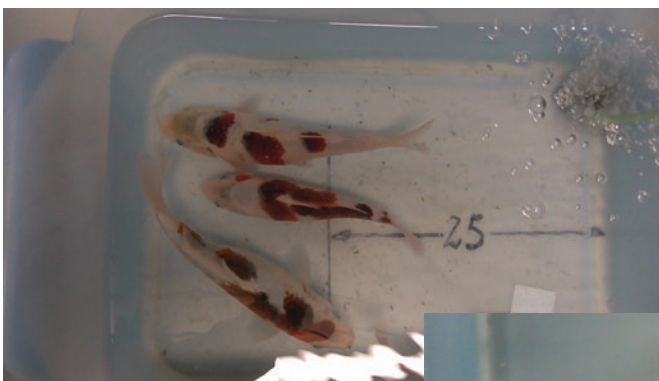

Shona and her Tech Team did a great job at the Show. Whirligiggs flying around, it's a worry eye in the sky is watching and us oldies cannot get away with anything! Des and his Grunt Team assembling and taking down the Show in record time. We cannot thank you guys enough.

We watched the time lapse video from the Koi Show and went through the members results from the show. Highlights were; 4 first time showers, Sang's Goshiki coming GC Runner Up for second year in a row. Dave Brown winning Showa Variety Champ with this fish winning a very hot showa class 3 times now! All agreed the quality of fish is much better compared with 5-10 years ago which is a great effort by everyone.

Raffle was won by, Jun, Tung, Fred

1000 bucks up for grabs and Dave Brown pulls both chances. How did he manage that. We were all oh so sad when he missed out with both chances. Worse still he is now off on holiday with no money to spend. \$1050 next meeting

Meeting Closed 9.40pm

KSWA Southern Branch – June Meeting

Date: June 28, 2017

Attendance: 18

Apologies: Fred Sharp, Nick Linton, Bill and Lorna Passey

Meeting Opened. 7.45pm

Southern Branch Financials: \$2,243.22

Despite the cold night and setting off the alarm at the new venue – Willetton Reserve Pavilion – the meeting went well. Due to family commitments, Fred was unable to chair the meeting and had asked Jun to Chair the meeting.

Jun welcomed everyone and hoped that people didn't get too lost getting to the venue. Jun gave a quick update on the Family Day out organised by the Northern Branch – fantastic weather and good company.

Members were informed that next Southern Branch Meeting in July will also include the branch elections; all positions will be vacated. Jun informed members that Fred Sharp has decided that he will step down as chairman. So if you are interested in any role and would like more information about the duties, please contact Jun. Jun also informed the branch, that the Club AGM will be held at the Northern Branch on Tuesday 8th of August.

To celebrate the change in Southern Branch venue, Jun announced that a BBQ will be organised for the next meeting – Wednesday 26th of July. Please RSVP by text to Jun on 0423 410 681, for catering purposes.

Jun then opened up the floor for questions. Eddy asked what one should do when their fish is flashing. Jun suggested salt and PP, however we should get the correct diagnosis before treatment.

Rodney then made a very informative presentation on how to determine your koi sex. He talked about several methods, including body shape, fin shape and appearance of the vent. The presentation will be made available on the KSWA website.
