## Aquabiome

AUSSIEKOI has been looking for a bead style filter to enhance its filtration range for 2 years. We have looked at many and finally found what we believe to be the best bead filter on the market in Oz. Why do we believe it is the best?

- it is backed by a major Oz company so spares are readily available
- Small footprint, completely self contained on its own skid
- Latest design features incorporated, including a blower for enhanced cleaning and water saving. K1 media for huge protected surface area. 1 year full warranty
- AND the best value price on the market.

Hello Everyone,

PLEASE NOTE THAT **MAY'S GENERAL MEETING DATE HAS BEEN CHANGED TO WEDNESDAY THE 21ST MAY** To enable a meeting to be held just before the Annual Show.

Don't forget that KSWA & ZNA membership is due.

Welcome all the new members and hope you and your families enjoy your time with the club.

## **BENCHING FOR ANNUAL SHOW**

Benching will be conducted on Saturday 24th May 2008 between 8am—5pm.

If any person has any legitimate problem making the benching on Saturday they need to contact Rodney Hansen (Chief Steward) to arrange an alternative time suitable to them and him to process their entries. Other than the few country members in the club **NO BENCHING WILL BE CONDUCTED ON SUNDAY**. A country member is determined to be a member who lives outside 100km of the CBD.

PHOTOS must be brought on Saturday to allow correct benching. Both sets will be retained by the benching team. One set goes to the judging team, the second set will be returned to the individual member on Sunday morning.

**At the general meeting of the 21st May people unable to attend Saturday may use this meeting to bench their fish.**

We have been very fortunate to obtain Kate McGill to judge our Annual Show this year.

## HELPERS NEEDED FOR SETTING UP THE SHOW ON SATURDAY 24TH MAY.

Setting up will start at 8am and continue on until we have everything up and ready for the show on Sunday. Please come and help set up because as the saying goes many hands make light work!!!

**To the appreciated helpers lunch and drinks will be provided on Saturday.**

Every bit of help is appreciated as this weekend is a big weekend for most members involved in the show. There is the setting up, looking after the judge, making sure the public has a good experience at the show and, of course, the showing of the koi and then the taking down of the show and on the Monday night the presentation night.

So please support your club and help where you can. If you can't help set up maybe you could help on show day or with the taking down of equipment after the show.

Once again please volunteer some of your time so that **everyone** gets a chance to enjoy the show day. Just find a committee member and offer your services and I am sure they will find something for you to do.

I am looking for someone to help with the gate so if you could do that please let me know. (Freya)
